MEET INDIA'S BEST MANUFACTURERS

Discover quality suppliers from India, the world's second largest producer of footwear and leather goods at **Footwear & Leather Show** taking place Tuesday 20 - Thursday 22 November at the Melbourne Convention and Exhibition Centre.

Council for Leather Exports (CLE) is India's peak export trade promotion organisation for their growing leather industry, and they'll bring 30 member companies together in Melbourne to showcase quality Indian products for the Australian market.

Learn more about some of the suppliers exhibiting within the CLE India pavilion...

IZAAN EXPORTS

Each pair of shoes at Izaan Exports is designed to look better with age and never go out of style. Izaan Exports was founded in 2016 to professionally manufacture, import, and export designer ladies footwear and sandals, children's sandals, men's footwear, and men's sandals.

CONTINENTAL LEATHER

The **Greenwood Fashion** line offers a collection of handmade handbags and

accessories. Unique, unrepeatable, with a vintage look: timeless objects which are not consumed within a season, but which acquire value with the passage of time. Greenwood's products for men and women make a definitive fashion statement.
